NOVEMBER 2025

REFUEL SOUTH RECAP

With the changing of the clocks, and the switch from po-boys to warm seafood gumbo, our COG's Louisiana family hosted their annual ReFuel South the first weekend of November. Joined by teenagers from Missouri, The Atlanta Bible College, and members of Blood River Church of God from Springfield, LA, the group got to experience lessons, worship, canoeing, games, s'mores, and "escape" their way through many challenges.

Fuel taught us that Jesus is our Great Physician. Oftentimes when we go to the doctor, we get a prescription and personal goals to work on before our next follow-up. Sometimes, we follow that new diet or exercise program great, but so many of us tend to slack off after the first week or two.

The theme for the weekend was about the consequences of drifting away from our Great Physician's guidelines. Throughout the weekend, the campers got a chance to break apart the parable of the prodigal son (Luke 15:11-32) and see what drifting can look like, but to also see the love and grace our Father provides for us as He longs for us to return home to Him.

A special thanks to all those who continue to support our youth programs throughout COG, and a very special thanks for the Atlanta Bible College and their students from coming down to Louisiana and serving in numerous roles, such as fellowship, speaking and leading messages, leading the worship, and being great examples to our youth.

UPCOMING

Quiz-mas will be December 5th-7th in Indiana and registration is open! Sign up [here!](#)
